## New this year:

### \*\*Multiple System Atrophy Fundraiser:

Support Research for MSA – Buy a Bracelet Today!

During May 2011, the Grade 4/5 class at Lake Wilcox Public School in Richmond Hill, Ontario wanted to show their depth of character by raising money for special causes. Their plan was to provide these funds from their own efforts in making and selling bracelets! Students gave up many recess breaks to make these lovely bracelets which were then sold school-wide. This initiative was supported by students, teachers, parents, administrators and members of the Oak Ridges community. The bracelet sales brought in over three hundred dollars for the World Wildlife Federation!

The second initiative the students chose to support was Research for Multiple System Atrophy. They got down to business and made another assortment of very lovely, colorful bracelets that they sent to Braecrest Stables for the Braecrest Summer Showcase where, annually, donations have been received from exhibitors and spectators alike to support Research for MSA.

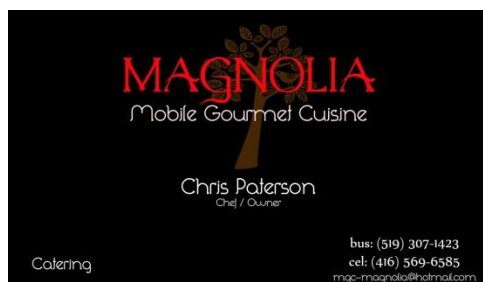

The students are hoping to receive \$5.00 for one or two bracelets of your choice and all monies will go to Research for MSA.

Thank you for supporting the efforts of our children and MSA Research.
